# Plenty of Sound Features at Your Fingertips

---

## IQ™ Technology

Baby Lock machines come with features that make sewing easy no matter what you want to create. These innovative features powered by Baby Lock IQ™ Technology, work with the “brain” of your machine to achieve the results you desire. Taking your creative journey with IQ Technology makes it easy to bring your vision to life.

## LCD Screen

Stitch settings are displayed on the Lyric's LCD screen, so your stitch type and settings are at your fingertips.

## Push Button Features

Push-button features make it easy to choose your settings on the Lyric. You can also position the needle up or down, cut thread, and start and stop sewing.

### Advanced Needle Threader

Follow the path and press a lever—that's all it takes to thread the Lyric. The Advanced Needle Threader is so convenient you can do it all with just one hand!

### 250 Built-in-Stitches

With 250 built-in stitches, you'll have many creative options. From numerous utility stitches to decorative ones, you'll find something for every project.

### Quick-Set Bobbin Winder

The Quick-Set Bobbin Winder makes it easy to prep multiple bobbins ahead of time. Simply load your bobbin and thread, and the Lyric will wind the bobbin until it's full.

### Quick-Set, Top-Loading Bobbin

When you're ready to sew, simply drop a bobbin in and go. It's always easy to get started.

### Quilting Extension Table

Increase your sewing surface and provide extra support for larger projects.

### Knee Lift

Keep your hands free for more sewing control by using the knee lift to raise your presser foot.
