SEWING FEATURES

The Original IDT™ System – Absolutely even fabric feed from both the top and bottom. The IDT™ System is ideal for the quilter and sewer! The IDT™ System works with any stitch in forward or reverse at any stitch length or width. Built right onto the machine, it can be easily engaged or disengaged as needed. Many PFAFF® accessories and presser feet can be used with the IDT™ System to ensure even seams with any stitch on any fabric.

201 stitches – A wide variety of beautiful 7mm stitches, including utility stitches, buttonholes, decorative stitches, quilt stitches, cross stitches and hemstitches.

Two special quilt feet included – The perfect feet for your quilting needs; Open toe free-motion foot and ¼ inch quilting foot for IDT™ system.

SEWING FEATURES

Alphabets – Choose from four different font styles: Block, Outline, Script and Cyrillic letters.

Free-motion sewing – Simply attach the open toe free-motion foot for easy quilting and free-motion embroidery.

Presser foot pressure – Can be adjusted when using specialty techniques or when sewing on light or heavy fabric.

Adjustable Thread tension – The recommended thread tension setting for the selected stitch is displayed on the touch screen.

Needle up/down – Touch a button to set your needle to automatically stop up or down in the fabric for pivoting, appliqué and more.

Immediate tie-off – When selected the machine will tie-off automatically at the end of a seam for a quick and easy finish.

Programmed tie-off with indicator – Choose from several tie-off options.

29 needle positions – Perfect for topstitching, quilting, inserting zippers and more.

Twin needle program – Automatically adjusts the stitch width to prevent needle breakage.

Stitch width safety – Limits stitch width to center needle straight stitch while using straight stitch needle plate and/or straight stitch foot to prevent needle breakage.

Elongation – Lengthen satin stitches and entire stitch will be longer but the density remains the same.

Mirror image – Flip the stitch from side to side, and/or end to end, for more creative possibilities.

Sequencing – Combine and save up to 20 stitches and/or letters into one of the four sequence memories.

Save personal stitch – Change the settings of a built-in stitch to your personal preference and save it in one of the four sequence memories.

Extra presser foot lift – Raises the presser foot to its highest position so that thick fabrics can be placed easily under the presser foot.

Integrated Needle Threader – Makes threading the needle fast and easy.

Stitch plate – Markings to the left and right of needle help you guide your fabric.

Snap-on/Snap-off presser feet – Changing is easy – no screwdrivers or other tools are needed.

Permanent Reverse – Your hands are free to guide your fabric.

Electronic needle piercing power – Full piercing power at any speed with total control.
